

## [D-Ala<sup>2</sup>]-Beta-Casomorphin (1-5) amide (Bovine)

|                   |                                                               |
|-------------------|---------------------------------------------------------------|
| Catalog No.       | 5991759                                                       |
| Size              |                                                               |
| Product Category  | Peptide                                                       |
| Sequence          | Tyr-D-Ala-Phe-Pro-Gly-NH <sub>2</sub>                         |
| Mol. Formula      | C <sub>28</sub> H <sub>36</sub> N <sub>6</sub> O <sub>6</sub> |
| Mol. Weight       | 552.64                                                        |
| Purity            | > 95%                                                         |
| MOQ               | 1 mg                                                          |
| Storage/Stability | -20°C/1 year                                                  |
| Shipping          | Gel Packs                                                     |
