

## HCV NS4A Protein (22-33)

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Catalog No.       | 5992423                                         |
| Size              |                                                 |
| Product Category  | Peptide                                         |
| Sequence          | Cys-Val-Val-Ile-Val-Gly-Arg-Ile-Val-Leu-Ser-Gly |
| Mol. Formula      | C54H98N15O14S                                   |
| Mol. Weight       | 1213.54                                         |
| Purity            | > 95%                                           |
| MOQ               | 1 mg                                            |
| Storage/Stability | -20°C/1 year                                    |
| Shipping          | Gel Packs                                       |
