

## AGO2 Polyclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4004320                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Synthetic peptide of human AGO2                      |
| Isotype                | IgG                                                  |
| Clonality              | Polyclonal                                           |
| Host                   | Rabbit                                               |
| Reactivity             | Human; Mouse; Rat                                    |
| Application            | WB; IHC                                              |
| Recommended Dilutions  | WB 1:500-1000; IHC 1:50-200                          |
| Purification           | Affinity Chromatography Method                       |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 97 kDa                                               |
| UniProt ID             | Q9UKV8                                               |
| Synonyms               | CASC7; EIF2C2; LINC00980; PPD; Q10                   |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
