

## AIFM1 Polyclonal Antibody

|                        |                                                              |
|------------------------|--------------------------------------------------------------|
| Catalog No.            | 4003425                                                      |
| Size                   | 50ug / 100ug                                                 |
| Product Category       | Primary Antibody                                             |
| Immunogen              | Recombinant protein of human AIFM1                           |
| Isotype                | IgG                                                          |
| Clonality              | Polyclonal                                                   |
| Host                   | Rabbit                                                       |
| Reactivity             | Human; Mouse                                                 |
| Application            | WB; IHC; IF                                                  |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; IF 1:50-200                     |
| Purification           | Affinity Chromatography Method                               |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3         |
| Format & Concentration | Liquid; 1mg/ml                                               |
| Mol. Weight            | 67 kDa                                                       |
| UniProt ID             | O95831                                                       |
| Synonyms               | AIF; CMT2D; CMTX4; COWCK; COXPD6; DFNX5; NADMR; NAMSD; PDCD8 |
| Storage/Stability      | -20°C/1 year                                                 |
| Shipping               | Gel Packs                                                    |
