

## ANKRD7 Polyclonal Antibody

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| Catalog No.            | 4109052                                                                    |
| Size                   | 50ug / 100ug                                                               |
| Product Category       | Primary Antibody                                                           |
| Immunogen              | Recombinant protein of human ANKRD7                                        |
| Isotype                | IgG                                                                        |
| Clonality              | Polyclonal                                                                 |
| Host                   | Rabbit                                                                     |
| Reactivity             | Human; Rat                                                                 |
| Application            | IHC                                                                        |
| Recommended Dilutions  | IHC 1:50-200                                                               |
| Purification           | Affinity Chromatography Method                                             |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3                         |
| Format & Concentration | Liquid; 1mg/ml                                                             |
| Mol. Weight            | 29/31 kDa                                                                  |
| UniProt ID             | Q92527                                                                     |
| Synonyms               | ANKRD7; ankyrin repeat domain 7; Testis specific protein<br>TSA806; TSA806 |
| Storage/Stability      | -20°C/1 year                                                               |
| Shipping               | Gel Packs                                                                  |
