

## ARPC3 Polyclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4005449                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Recombinant protein of human ARPC3                   |
| Isotype                | IgG                                                  |
| Clonality              | Polyclonal                                           |
| Host                   | Rabbit                                               |
| Reactivity             | Human; Mouse; Rat                                    |
| Application            | WB; IF                                               |
| Recommended Dilutions  | WB 1:500-2000; IF 1:50-100                           |
| Purification           | Affinity Chromatography Method                       |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 21 kDa                                               |
| UniProt ID             | O15145                                               |
| Synonyms               | ARC21; p21-Arc                                       |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
