

## ATG4C Polyclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4108694                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Synthetic peptide of Human ATG4C                     |
| Isotype                | IgG                                                  |
| Clonality              | Polyclonal                                           |
| Host                   | Rabbit                                               |
| Reactivity             | Human                                                |
| Application            | WB; IHC                                              |
| Recommended Dilutions  | WB 1:2000-5000; IHC 1:50-200                         |
| Purification           | Affinity Chromatography Method                       |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3   |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 52 kDa                                               |
| UniProt ID             | Q96DT6                                               |
| Synonyms               | APG4-C; APG4C; AUTL1; AUTL3; cysteine protease ATG4C |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
