

## Bad Polyclonal Antibody

|                        |                                                                                                                                                          |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4016879                                                                                                                                                  |
| Size                   | 50ug / 100ug                                                                                                                                             |
| Product Category       | Primary Antibody                                                                                                                                         |
| Immunogen              | Synthesized peptide derived from human BAD at AA range: 100-149                                                                                          |
| Clonality              | Polyclonal                                                                                                                                               |
| Host                   | Rabbit                                                                                                                                                   |
| Reactivity             | Human; Mouse; Rat                                                                                                                                        |
| Application            | WB; IHC-p; IF; ELISA                                                                                                                                     |
| Recommended Dilutions  | IF 1:100; IHC 1:100-200; WB 1:2000; ELISA 1:2000-3000                                                                                                    |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen                                                      |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                                                                     |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                           |
| Mol. Weight            | 28 kDa                                                                                                                                                   |
| Synonyms               | BAD; BBC6; BCL2L8; Bcl2 antagonist of cell death; BAD; Bcl-2-binding component 6; Bcl-2-like protein 8; Bcl2-L-8; Bcl-XL/Bcl-2-associated death promoter |
| Storage/Stability      | -20°C/1 year                                                                                                                                             |
| Shipping               | Gel Packs                                                                                                                                                |
