

## BAI-1 Polyclonal Antibody

|                        |                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------|
| Catalog No.            | 4016910                                                                                             |
| Size                   | 50ug / 100ug                                                                                        |
| Product Category       | Primary Antibody                                                                                    |
| Immunogen              | Synthesized peptide derived from human BAI1 at AA range: 691-740                                    |
| Clonality              | Polyclonal                                                                                          |
| Host                   | Rabbit                                                                                              |
| Reactivity             | Human; Mouse                                                                                        |
| Application            | WB; IHC-p; IF; ELISA                                                                                |
| Recommended Dilutions  | IF 1:100; IHC 1:100-200; WB 1:2000; ELISA 1:2000-3000                                               |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                |
| Format & Concentration | Liquid; 1mg/ml                                                                                      |
| Mol. Weight            | 178 kDa                                                                                             |
| Synonyms               | BAI1; Brain-specific angiogenesis inhibitor 1                                                       |
| Storage/Stability      | -20°C/1 year                                                                                        |
| Shipping               | Gel Packs                                                                                           |
