

## Bcl 2 (phospho Thr69) Polyclonal Antibody

|                        |                                                                                                          |
|------------------------|----------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4017019                                                                                                  |
| Size                   | 50ug / 100ug                                                                                             |
| Product Category       | Primary Antibody                                                                                         |
| Immunogen              | Synthesized peptide derived from human BCL-2 around the phosphorylation site of Thr69 at AA range: 46-95 |
| Clonality              | Polyclonal                                                                                               |
| Host                   | Rabbit                                                                                                   |
| Reactivity             | Human                                                                                                    |
| Application            | IHC-p; IF; ELISA                                                                                         |
| Recommended Dilutions  | IHC 1:100-200; IF 1:100-200; ELISA 1:20000                                                               |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen      |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                     |
| Format & Concentration | Liquid; 1mg/ml                                                                                           |
| Synonyms               | BCL2; Apoptosis regulator Bcl-2                                                                          |
| Storage/Stability      | -20°C/1 year                                                                                             |
| Shipping               | Gel Packs                                                                                                |
