

## beta 1,4-GalNAc-T Polyclonal Antibody

|                        |                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4016769                                                                                                                                                                     |
| Size                   | 50ug / 100ug                                                                                                                                                                |
| Product Category       | Primary Antibody                                                                                                                                                            |
| Immunogen              | Synthesized peptide derived from human CSGALNACT1 at AA range: 201-250                                                                                                      |
| Clonality              | Polyclonal                                                                                                                                                                  |
| Host                   | Rabbit                                                                                                                                                                      |
| Reactivity             | Human; Mouse; Rat                                                                                                                                                           |
| Application            | WB; IHC-p; ELISA                                                                                                                                                            |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; ELISA 1:5000                                                                                                                                   |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen                                                                         |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                                                                                        |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                              |
| Mol. Weight            | 60 kDa                                                                                                                                                                      |
| Synonyms               | CSGALNACT1; CHGN; GALNACT1; Chondroitin sulfate N-acetylgalactosaminyltransferase 1; CsGalNAcT-1; Chondroitin beta-1; 4-N-acetylgalactosaminyltransferase 1; Beta4GalNAcT-1 |
| Storage/Stability      | -20°C/1 year                                                                                                                                                                |
| Shipping               | Gel Packs                                                                                                                                                                   |
