

## Caspase 14 Polyclonal Antibody

|                        |                                                          |
|------------------------|----------------------------------------------------------|
| Catalog No.            | 4004598                                                  |
| Size                   | 50ug / 100ug                                             |
| Product Category       | Primary Antibody                                         |
| Immunogen              | Recombinant protein of human CASP14                      |
| Isotype                | IgG                                                      |
| Clonality              | Polyclonal                                               |
| Host                   | Rabbit                                                   |
| Reactivity             | Human; Mouse; Rat                                        |
| Application            | WB; IF                                                   |
| Recommended Dilutions  | WB 1:500-2000; IF 1:10-100                               |
| Purification           | Affinity Chromatography Method                           |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3     |
| Format & Concentration | Liquid; 1mg/ml                                           |
| Mol. Weight            | 28 kDa                                                   |
| UniProt ID             | P31944                                                   |
| Synonyms               | ARCI12; caspase 14; apoptosis-related cysteine peptidase |
| Storage/Stability      | -20°C/1 year                                             |
| Shipping               | Gel Packs                                                |
