

## CCDC148 Polyclonal Antibody

|                        |                                                |
|------------------------|------------------------------------------------|
| Catalog No.            | 4109149                                        |
| Size                   | 50ug / 100ug                                   |
| Product Category       | Primary Antibody                               |
| Immunogen              | Recombinant protein of human CCDC148           |
| Isotype                | IgG                                            |
| Clonality              | Polyclonal                                     |
| Host                   | Rabbit                                         |
| Reactivity             | Human, Mouse, Rat                              |
| Application            | IHC                                            |
| Recommended Dilutions  | IHC 1:50-200                                   |
| Purification           | Octanoic acid-ammonium sulfate precipitation   |
| Storage Buffer         | PBS with 0.03% Proclin300, 50% glycerol, pH7.3 |
| Format & Concentration | Liquid; 1mg/ml                                 |
| Mol. Weight            | 30/33/36/71kDa                                 |
| UniProt ID             | Q8NFR7                                         |
| Synonyms               | MGC125588                                      |
| Storage/Stability      | -20°C/1 year                                   |
| Shipping               | Gel Packs                                      |
