

## CCR8 Polyclonal Antibody

|                        |                                                                    |
|------------------------|--------------------------------------------------------------------|
| Catalog No.            | 4007395                                                            |
| Size                   | 50ug / 100ug                                                       |
| Product Category       | Primary Antibody                                                   |
| Immunogen              | Synthetic peptide of human CCR8                                    |
| Isotype                | IgG                                                                |
| Clonality              | Polyclonal                                                         |
| Host                   | Rabbit                                                             |
| Reactivity             | Human                                                              |
| Application            | WB; IHC                                                            |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:10-100                                        |
| Purification           | Affinity Chromatography Method                                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3                 |
| Format & Concentration | Liquid; 1mg/ml                                                     |
| Mol. Weight            | 41 kDa                                                             |
| UniProt ID             | P51685                                                             |
| Synonyms               | CY6; TER1; CCR-8; CKRL1; CDw198; CMKBR8; GPRCY6; CMKBRL2; CC-CKR-8 |
| Storage/Stability      | -20°C/1 year                                                       |
| Shipping               | Gel Packs                                                          |
