

## CD15 Polyclonal Antibody

|                        |                                                                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4009529                                                                                                                                                                                                   |
| Size                   | 50ug / 100ug                                                                                                                                                                                              |
| Product Category       | Primary Antibody                                                                                                                                                                                          |
| Immunogen              | KLH conjugated synthetic peptide derived from human CD15                                                                                                                                                  |
| Isotype                | IgG                                                                                                                                                                                                       |
| Clonality              | Polyclonal                                                                                                                                                                                                |
| Host                   | Rabbit                                                                                                                                                                                                    |
| Reactivity             | Human; Mouse; Rat                                                                                                                                                                                         |
| Application            | WB; ELISA; IHC-P; IHC-F; Flow-Cyt; IF                                                                                                                                                                     |
| Recommended Dilutions  | WB 1:500-2000; ELISA 1:500-1000; IHC-p 1:100-500; IHC-f 1:100-500; Flow-Cyt 1?g/Test; IF 1:100-500                                                                                                        |
| Purification           | Affinity Chromatography Method                                                                                                                                                                            |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3                                                                                                                                                        |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                                                            |
| Mol. Weight            | 58 kDa                                                                                                                                                                                                    |
| UniProt ID             | Q11127                                                                                                                                                                                                    |
| Synonyms               | Fut4; SSEA-1; 3-FAL; Alpha (1,3) fucosyltransferase; Alpha 13 fucosyltransferase FucT; EC 2.4.1.; ELAM 1 ligand fucosyltransferase; ELAM ligand fucosyltransferase; ELAM1 ligand fucosyltransferase; ELFT |
| Storage/Stability      | -20°C/1 year                                                                                                                                                                                              |
