

## CD42c Polyclonal Antibody

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4018786                                                                                                      |
| Size                   | 50ug / 100ug                                                                                                 |
| Product Category       | Primary Antibody                                                                                             |
| Immunogen              | Synthetic peptide from human protein at AA range: 90-150                                                     |
| Clonality              | Polyclonal                                                                                                   |
| Host                   | Rabbit                                                                                                       |
| Reactivity             | Human; Mouse; Rat                                                                                            |
| Application            | IHC-p; ELISA                                                                                                 |
| Recommended Dilutions  | IHC 1:100-200; ELISA 1:5000                                                                                  |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen          |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                         |
| Format & Concentration | Liquid; 1mg/ml                                                                                               |
| Synonyms               | Platelet glycoprotein Ib beta chain (GP-Ib beta) (GPIb-beta) (GPIbB) (Antigen CD42b-beta) (CD antigen CD42c) |
| Storage/Stability      | -20°C/1 year                                                                                                 |
| Shipping               | Gel Packs                                                                                                    |
