

## CD8A Polyclonal Antibody

|                        |                                                               |
|------------------------|---------------------------------------------------------------|
| Catalog No.            | 4106402                                                       |
| Size                   | 50ug / 100ug                                                  |
| Product Category       | Primary Antibody                                              |
| Immunogen              | Synthetic peptide of human CD8A                               |
| Isotype                | IgG                                                           |
| Clonality              | Polyclonal                                                    |
| Host                   | Rabbit                                                        |
| Reactivity             | Human; Mouse                                                  |
| Application            | WB                                                            |
| Recommended Dilutions  | WB 1:3000                                                     |
| Purification           | Affinity Chromatography Method                                |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3            |
| Format & Concentration | Liquid; 1mg/ml                                                |
| Mol. Weight            | 26/22/30 kDa                                                  |
| UniProt ID             | P01732                                                        |
| Synonyms               | CD8A; CD8; Leu2; MAL; p32; CD8a molecule; OKT8 T cell antigen |
| Storage/Stability      | -20°C/1 year                                                  |
| Shipping               | Gel Packs                                                     |
