

## CHD4 Monoclonal Antibody

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Catalog No.            | 4500097                                                                |
| Size                   | 50ug / 100ug                                                           |
| Product Category       | Primary Antibody                                                       |
| Immunogen              | Purified recombinant human CHD4 protein fragments expressed in E.coli. |
| Isotype                | IgG2b                                                                  |
| Clonality              | Monoclonal                                                             |
| Host                   | Mouse                                                                  |
| Reactivity             | Human                                                                  |
| Application            | WB; IP                                                                 |
| Recommended Dilutions  | WB 1:1000                                                              |
| Purification           | Affinity Chromatography Method                                         |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3                   |
| Format & Concentration | Liquid; 1mg/ml                                                         |
| Mol. Weight            | 218/221 kDa                                                            |
| UniProt ID             | Q14839                                                                 |
| Synonyms               | CHD-4; Mi-2b; Mi2-BETA; CHD-4; Mi-2b; Mi2-BETA; SIHIWES                |
| Storage/Stability      | -20°C/1 year                                                           |
| Shipping               | Gel Packs                                                              |
