

## CHUK Polyclonal Antibody

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Catalog No.            | 4003185                                                                |
| Size                   | 50ug / 100ug                                                           |
| Product Category       | Primary Antibody                                                       |
| Immunogen              | Synthetic peptide of human CHUK                                        |
| Isotype                | IgG                                                                    |
| Clonality              | Polyclonal                                                             |
| Host                   | Rabbit                                                                 |
| Reactivity             | Human; Mouse; Rat                                                      |
| Application            | WB; IHC; ICC; IF; IP                                                   |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; ICC 1:50-200; IF 1:50-200;<br>IP 1:20-100 |
| Purification           | Affinity Chromatography Method                                         |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3                     |
| Format & Concentration | Liquid; 1mg/ml                                                         |
| Mol. Weight            | 84 kDa                                                                 |
| UniProt ID             | O15111                                                                 |
| Synonyms               | CHUK; IKBKA; IKK-alpha; IKK1; IKKA; NFKBIKA; TCF16; IKK<br>alpha       |
| Storage/Stability      | -20°C/1 year                                                           |
| Shipping               | Gel Packs                                                              |
