

## CRIM1 Polyclonal Antibody

|                        |                                                                  |
|------------------------|------------------------------------------------------------------|
| Catalog No.            | 4009538                                                          |
| Size                   | 50ug / 100ug                                                     |
| Product Category       | Primary Antibody                                                 |
| Immunogen              | KLH conjugated synthetic peptide derived from mouse CRIM1        |
| Isotype                | IgG                                                              |
| Clonality              | Polyclonal                                                       |
| Host                   | Rabbit                                                           |
| Reactivity             | Human; Mouse; Rat                                                |
| Application            | ELISA; IHC-P; IHC-F; IF                                          |
| Recommended Dilutions  | ELISA 1:500-1000; IHC-p 1:100-500; IHC-f 1:100-500; IF 1:100-500 |
| Purification           | Affinity Chromatography Method                                   |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3               |
| Format & Concentration | Liquid; 1mg/ml                                                   |
| Mol. Weight            | 110 kDa                                                          |
| UniProt ID             | Q9JLL0                                                           |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                      |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Synonyms          | Cysteine-rich motor neuron 1 protein; CRIM-1; Cysteine-rich repeat-containing protein S52; Processed cysteine-rich motor neuron 1protein; CRIM 1; CRIM1; Cysteine rich motor neuron 1 protein; Cysteine rich repeat containing protein S52; Cysteine rich transmembrane BMP regulator 1 (chordin like) ; Cysteine rich transmembrane BMP regulator 1; MGC138194; Processed cysteine rich motor neuron 1 protein; S52 |
| Storage/Stability | -20°C/1 year                                                                                                                                                                                                                                                                                                                                                                                                         |
| Shipping          | Gel Packs                                                                                                                                                                                                                                                                                                                                                                                                            |
