

## Desmin Monoclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4051218                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Recombinant Protein                                  |
| Isotype                | IgG1                                                 |
| Clonality              | Monoclonal                                           |
| Host                   | Mouse                                                |
| Reactivity             | Human; Mouse; Rat                                    |
| Application            | IHC                                                  |
| Recommended Dilutions  | IHC 1:100-200                                        |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4 |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 53 kDa                                               |
| UniProt ID             | P17661                                               |
| Synonyms               | CMD11, CSM1, CSM2, DES, FLJ12025                     |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
