

## DIABLO Polyclonal Antibody

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Catalog No.            | 4106688                                                     |
| Size                   | 50ug / 100ug                                                |
| Product Category       | Primary Antibody                                            |
| Immunogen              | Recombinant protein of human DIABLO                         |
| Isotype                | IgG                                                         |
| Clonality              | Polyclonal                                                  |
| Host                   | Rabbit                                                      |
| Reactivity             | Human                                                       |
| Application            | WB; IHC                                                     |
| Recommended Dilutions  | WB 1:500; IHC 1:50-200                                      |
| Purification           | Affinity Chromatography Method                              |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3          |
| Format & Concentration | Liquid; 1mg/ml                                              |
| Mol. Weight            | 21/22/27 kDa                                                |
| UniProt ID             | Q9NR28                                                      |
| Synonyms               | DIABLO; DFNA64; Diablo homolog; mitochondrial; SMAC 3; DBOH |
| Storage/Stability      | -20°C/1 year                                                |
| Shipping               | Gel Packs                                                   |
