

## DPYSL2 Polyclonal Antibody

|                        |                                                         |
|------------------------|---------------------------------------------------------|
| Catalog No.            | 4109645                                                 |
| Size                   | 50ug / 100ug                                            |
| Product Category       | Primary Antibody                                        |
| Immunogen              | Synthetic peptide of human DPYSL2                       |
| Isotype                | IgG                                                     |
| Clonality              | Polyclonal                                              |
| Host                   | Rabbit                                                  |
| Reactivity             | Human; Mouse; Rat                                       |
| Application            | WB                                                      |
| Recommended Dilutions  | WB 1:1000-3000                                          |
| Purification           | Affinity Chromatography Method                          |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3      |
| Format & Concentration | Liquid; 1mg/ml                                          |
| Mol. Weight            | 58/62 kDa                                               |
| UniProt ID             | Q16555                                                  |
| Synonyms               | CRMP-2; CRMP2; DHPRP2; DRP-2; DRP2; N2A3; ULIP-2; ULIP2 |
| Storage/Stability      | -20°C/1 year                                            |
| Shipping               | Gel Packs                                               |
