

## EFHD1 Monoclonal Antibody

|                        |                                                  |
|------------------------|--------------------------------------------------|
| Catalog No.            | 4500208                                          |
| Size                   | 50ug / 100ug                                     |
| Product Category       | Primary Antibody                                 |
| Immunogen              | Synthetic Peptide                                |
| Isotype                | IgG1                                             |
| Clonality              | Monoclonal                                       |
| Host                   | Mouse                                            |
| Reactivity             | Human, Mouse, Rat                                |
| Application            | WB; IF                                           |
| Recommended Dilutions  | WB 1:2000; IF 1:100-200                          |
| Purification           | Saturated ammonium sulfate precipitation         |
| Storage Buffer         | PBS with 0.02% sodium azide, 50% glycerol, pH7.3 |
| Format & Concentration | Liquid; 1mg/ml                                   |
| Mol. Weight            | 27kDa                                            |
| UniProt ID             | Q9BUP0                                           |
| Synonyms               | EFHD1                                            |
| Storage/Stability      | -20°C/1 year                                     |
| Shipping               | Gel Packs                                        |
