

## F11R Polyclonal Antibody

|                        |                                                    |
|------------------------|----------------------------------------------------|
| Catalog No.            | 4002537                                            |
| Size                   | 50ug / 100ug                                       |
| Product Category       | Primary Antibody                                   |
| Immunogen              | Recombinant protein of human F11R                  |
| Isotype                | IgG                                                |
| Clonality              | Polyclonal                                         |
| Host                   | Rabbit                                             |
| Reactivity             | Human                                              |
| Application            | WB; IHC; IF                                        |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; IF 1:50-200           |
| Purification           | Affinity Chromatography Method                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                     |
| Mol. Weight            | 27/32 kDa                                          |
| UniProt ID             | Q9Y624                                             |
| Synonyms               | F11R; CD321; JAM; JAM1; JAMA; JCAM; KAT; PAM-1     |
| Storage/Stability      | -20°C/1 year                                       |
| Shipping               | Gel Packs                                          |
