

## GADD45A Monoclonal Antibody

|                        |                                                                |
|------------------------|----------------------------------------------------------------|
| Catalog No.            | 4501443                                                        |
| Size                   | 50ug / 100ug                                                   |
| Product Category       | Primary Antibody                                               |
| Immunogen              | Purified recombinant human GADD45A protein expressed in E.coli |
| Isotype                | IgG1                                                           |
| Clonality              | Monoclonal                                                     |
| Host                   | Mouse                                                          |
| Reactivity             | Transfected                                                    |
| Application            | WB                                                             |
| Recommended Dilutions  | WB 1:1000                                                      |
| Purification           | Affinity Chromatography Method                                 |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3           |
| Format & Concentration | Liquid; 1mg/ml                                                 |
| Mol. Weight            | 18 kDa                                                         |
| UniProt ID             | P24522                                                         |
| Synonyms               | DDIT1; GADD45; GADD45 ?; GADD45?                               |
| Storage/Stability      | -20°C/1 year                                                   |
| Shipping               | Gel Packs                                                      |
