

## HFE2 Polyclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4003928                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Recombinant protein of human HFE2                    |
| Isotype                | IgG                                                  |
| Clonality              | Polyclonal                                           |
| Host                   | Rabbit                                               |
| Reactivity             | Human; Rat                                           |
| Application            | WB                                                   |
| Recommended Dilutions  | WB 1:500-2000                                        |
| Purification           | Affinity Chromatography Method                       |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 45 kDa                                               |
| UniProt ID             | Q6ZVN8                                               |
| Synonyms               | HFE2A; HJV; JH; RGMC                                 |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
