

## HSP60 Polyclonal Antibody

| Catalog No.            | 4016502                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Size                   | 50ug / 100ug                                                                                            |
| Product Category       | Primary Antibody                                                                                        |
| Immunogen              | Synthesized peptide derived from human HSPA14 at AA range: 421-470                                      |
| Clonality              | Polyclonal                                                                                              |
| Host                   | Rabbit                                                                                                  |
| Reactivity             | Human; Mouse; Rat                                                                                       |
| Application            | WB; IHC-p; ELISA                                                                                        |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; ELISA 1:5000                                                               |
| Purification           | Affinity-purified from rabbit antiserum by affinity-<br>chromatography using epitope-specific immunogen |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                    |
| Format & Concentration | Liquid; 1mg/ml                                                                                          |
| Mol. Weight            | 55 kDa                                                                                                  |
| Synonyms               | HSPA14; HSP60; HSP70L1; Heat shock 70 protein 14; HSP70-like protein 1; Heat shock protein HSP60        |
| Storage/Stability      | -20°C/1 year                                                                                            |
| Shipping               | Gel Packs                                                                                               |
