

## IL10 Polyclonal Antibody

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Catalog No.            | 4003274                                               |
| Size                   | 50ug / 100ug                                          |
| Product Category       | Primary Antibody                                      |
| Immunogen              | Recombinant protein of human IL10                     |
| Isotype                | IgG                                                   |
| Clonality              | Polyclonal                                            |
| Host                   | Rabbit                                                |
| Reactivity             | Human; Mouse; Rat                                     |
| Application            | WB; IHC                                               |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-100                           |
| Purification           | Affinity Chromatography Method                        |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3    |
| Format & Concentration | Liquid; 1mg/ml                                        |
| Mol. Weight            | 20 kDa                                                |
| UniProt ID             | P22301                                                |
| Synonyms               | IL10; CSIF; GVHDS; IL-10; IL10A; TGIF; interleukin-10 |
| Storage/Stability      | -20°C/1 year                                          |
| Shipping               | Gel Packs                                             |
