

## ITGA6 (light chain,Cleaved-Glu942) Polyclonal Antibody

|                        |                                                               |
|------------------------|---------------------------------------------------------------|
| Catalog No.            | 4107916                                                       |
| Size                   | 50ug / 100ug                                                  |
| Product Category       | Primary Antibody                                              |
| Immunogen              | Synthetic peptide of Human ITGA6 (light chain,Cleaved-Glu942) |
| Isotype                | IgG                                                           |
| Clonality              | Polyclonal                                                    |
| Host                   | Rabbit                                                        |
| Reactivity             | Human                                                         |
| Application            | IHC                                                           |
| Recommended Dilutions  | IHC 1:50-200                                                  |
| Purification           | Affinity Chromatography Method                                |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3            |
| Format & Concentration | Liquid; 1mg/ml                                                |
| Mol. Weight            | 106/119/122/124/126 kDa                                       |
| UniProt ID             | P23229                                                        |
| Synonyms               | CD49f; ITGA6B; VLA-6; integrin alpha-6                        |
| Storage/Stability      | -20°C/1 year                                                  |
| Shipping               | Gel Packs                                                     |
