

## JAK1 (7G6) Monoclonal Antibody

|                        |                                                                 |
|------------------------|-----------------------------------------------------------------|
| Catalog No.            | 4051257                                                         |
| Size                   | 50ug / 100ug                                                    |
| Product Category       | Primary Antibody                                                |
| Immunogen              | Synthetic Peptide                                               |
| Isotype                | IgG1                                                            |
| Clonality              | Monoclonal                                                      |
| Host                   | Mouse                                                           |
| Reactivity             | Human; Mouse; Rat                                               |
| Application            | IHC                                                             |
| Recommended Dilutions  | IHC 1:100-200                                                   |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4            |
| Format & Concentration | Liquid; 1mg/ml                                                  |
| Mol. Weight            | 130 kDa                                                         |
| UniProt ID             | P23458                                                          |
| Synonyms               | Janus kinase 1,JTK3,Tyrosine protein kinase<br>JAK1,JAK1A,JAK1B |
| Storage/Stability      | -20°C/1 year                                                    |
| Shipping               | Gel Packs                                                       |
