

## KCNK4 Polyclonal Antibody

|                        |                                                    |
|------------------------|----------------------------------------------------|
| Catalog No.            | 4109600                                            |
| Size                   | 50ug / 100ug                                       |
| Product Category       | Primary Antibody                                   |
| Immunogen              | Synthetic peptide of human KCNK4                   |
| Isotype                | IgG                                                |
| Clonality              | Polyclonal                                         |
| Host                   | Rabbit                                             |
| Reactivity             | Human; Mouse; Rat                                  |
| Application            | WB                                                 |
| Recommended Dilutions  | WB 1:1000-3000                                     |
| Purification           | Affinity Chromatography Method                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                     |
| Mol. Weight            | 43/45 kDa                                          |
| UniProt ID             | Q9NYG8                                             |
| Synonyms               | K2p4.1; TRAAK; TRAAK1                              |
| Storage/Stability      | -20°C/1 year                                       |
| Shipping               | Gel Packs                                          |
