

## KRT18 Monoclonal Antibody

|                        |                                                    |
|------------------------|----------------------------------------------------|
| Catalog No.            | 4200044                                            |
| Size                   | 50ug / 100ug                                       |
| Product Category       | Primary Antibody                                   |
| Immunogen              | recombinant protein                                |
| Isotype                | IgG1                                               |
| Clonality              | Monoclonal                                         |
| Host                   | Mouse                                              |
| Reactivity             | Human; Mouse; Rat                                  |
| Application            | IHC-P; WB; IF                                      |
| Recommended Dilutions  | WB 1:1000-3000; IF 1:100-200; IHC 1:200-500        |
| Purification           | Affinity Chromatography Method                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                     |
| Mol. Weight            | 48 kDa                                             |
| UniProt ID             | P05783                                             |
| Synonyms               | CK-18; CYK18; K18; PIG46; CK18; Cytokeratin-18     |
| Storage/Stability      | -20°C/1 year                                       |
| Shipping               | Gel Packs                                          |
