

## KV10.2 Polyclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4030312                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Synthetic Peptide                                    |
| Isotype                | IgG                                                  |
| Clonality              | Polyclonal                                           |
| Host                   | Rabbit                                               |
| Reactivity             | Human; Mouse; Rat                                    |
| Application            | WB; IHC                                              |
| Recommended Dilutions  | WB 1:1000-2000; IHC 1:100-200                        |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4 |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 60 kDa                                               |
| UniProt ID             | Q8NCM2                                               |
| Synonyms               | EAG2,H EAG2,KCNH5                                    |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
