

## LMNA Monoclonal Antibody

|                        |                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4500143                                                                                                                    |
| Size                   | 50ug / 100ug                                                                                                               |
| Product Category       | Primary Antibody                                                                                                           |
| Immunogen              | Purified recombinant human LMNA protein fragments expressed in E.coli.                                                     |
| Isotype                | IgG1                                                                                                                       |
| Clonality              | Monoclonal                                                                                                                 |
| Host                   | Mouse                                                                                                                      |
| Reactivity             | Human                                                                                                                      |
| Application            | WB; IF                                                                                                                     |
| Recommended Dilutions  | WB 1:1000; ICC 1:200                                                                                                       |
| Purification           | Affinity Chromatography Method                                                                                             |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3                                                                       |
| Format & Concentration | Liquid; 1mg/ml                                                                                                             |
| Mol. Weight            | 74/65/71/64/63/69 kDa                                                                                                      |
