

## LMX1B Polyclonal Antibody

|                        |                                                        |
|------------------------|--------------------------------------------------------|
| Catalog No.            | 4108443                                                |
| Size                   | 50ug / 100ug                                           |
| Product Category       | Primary Antibody                                       |
| Immunogen              | Synthetic peptide of human LMX1B                       |
| Isotype                | IgG                                                    |
| Clonality              | Polyclonal                                             |
| Host                   | Rabbit                                                 |
| Reactivity             | Human; Mouse                                           |
| Application            | WB                                                     |
| Recommended Dilutions  | WB 1:1000-3000                                         |
| Purification           | Affinity Chromatography Method                         |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3     |
| Format & Concentration | Liquid; 1mg/ml                                         |
| Mol. Weight            | 42 kDa                                                 |
| UniProt ID             | O60663                                                 |
| Synonyms               | LMX1.2; NPS1; LIM homeobox transcription factor 1-beta |
| Storage/Stability      | -20°C/1 year                                           |
| Shipping               | Gel Packs                                              |
