

## MCHR1 Polyclonal Antibody

|                        |                                                                 |
|------------------------|-----------------------------------------------------------------|
| Catalog No.            | 4109195                                                         |
| Size                   | 50ug / 100ug                                                    |
| Product Category       | Primary Antibody                                                |
| Immunogen              | Synthetic peptide of human MCHR1                                |
| Isotype                | IgG                                                             |
| Clonality              | Polyclonal                                                      |
| Host                   | Rabbit                                                          |
| Reactivity             | Human, Mouse, Rat                                               |
| Application            | IHC                                                             |
| Recommended Dilutions  | IHC 1:50-200                                                    |
| Purification           | Octanoic acid-ammonium sulfate precipitation                    |
| Storage Buffer         | PBS with 0.03% Proclin300, 50% glycerol, pH7.3                  |
| Format & Concentration | Liquid; 1mg/ml                                                  |
| Mol. Weight            | 46kDa                                                           |
| UniProt ID             | Q99705                                                          |
| Synonyms               | MCH receptor 1; MCH-R1; MCHR-1; MCH1R; MCHR; SLC-1; GPR24; SLC1 |
| Storage/Stability      | -20°C/1 year                                                    |
| Shipping               | Gel Packs                                                       |
