

## MCM3 Polyclonal Antibody

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Catalog No.            | 4002065                                              |
| Size                   | 50ug / 100ug                                         |
| Product Category       | Primary Antibody                                     |
| Immunogen              | Recombinant protein of human MCM3                    |
| Isotype                | IgG                                                  |
| Clonality              | Polyclonal                                           |
| Host                   | Rabbit                                               |
| Reactivity             | Human; Mouse; Monkey                                 |
| Application            | WB; IHC; IF                                          |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; IF 1:50-200             |
| Purification           | Affinity Chromatography Method                       |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                       |
| Mol. Weight            | 91 kDa                                               |
| UniProt ID             | P25205                                               |
| Synonyms               | HCC5; P1-MCM3; P1.h; RLFB                            |
| Storage/Stability      | -20°C/1 year                                         |
| Shipping               | Gel Packs                                            |
