

## N6AMT1 Polyclonal Antibody

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Catalog No.            | 4005083                                               |
| Size                   | 50ug / 100ug                                          |
| Product Category       | Primary Antibody                                      |
| Immunogen              | Recombinant protein of human N6AMT1                   |
| Isotype                | IgG                                                   |
| Clonality              | Polyclonal                                            |
| Host                   | Rabbit                                                |
| Reactivity             | Human; Mouse; Rat                                     |
| Application            | WB; IHC; IF                                           |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; IF 1:50-100              |
| Purification           | Affinity Chromatography Method                        |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3  |
| Format & Concentration | Liquid; 1mg/ml                                        |
| Mol. Weight            | 23 kDa                                                |
| UniProt ID             | Q9Y5N5                                                |
| Synonyms               | C21orf127; HEMK2; MTQ2; N6AMT; PRED28;<br>m.HsaHemK2P |
| Storage/Stability      | -20°C/1 year                                          |
| Shipping               | Gel Packs                                             |
