

## NAP1L1 Polyclonal Antibody

|                        |                                                                |
|------------------------|----------------------------------------------------------------|
| Catalog No.            | 4006799                                                        |
| Size                   | 50ug / 100ug                                                   |
| Product Category       | Primary Antibody                                               |
| Immunogen              | Recombinant protein of human NAP1L1                            |
| Isotype                | IgG                                                            |
| Clonality              | Polyclonal                                                     |
| Host                   | Rabbit                                                         |
| Reactivity             | Human; Mouse; Rat                                              |
| Application            | IHC                                                            |
| Recommended Dilutions  | IHC:1:25-100                                                   |
| Purification           | Affinity Chromatography Method                                 |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3             |
| Format & Concentration | Liquid; 1mg/ml                                                 |
| Mol. Weight            | 45 kDa                                                         |
| UniProt ID             | P55209                                                         |
| Synonyms               | NAP1L1; NAP1; NAP1L; NRP; nucleosome assembly protein 1-like 1 |
| Storage/Stability      | -20°C/1 year                                                   |
| Shipping               | Gel Packs                                                      |
