

## NDUFA4L2 Polyclonal Antibody

|                        |                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4012907                                                                                                                                   |
| Size                   | 50ug / 100ug                                                                                                                              |
| Product Category       | Primary Antibody                                                                                                                          |
| Immunogen              | Synthesized peptide derived from human NDUFA4L2 at AA range: 38-87                                                                        |
| Clonality              | Polyclonal                                                                                                                                |
| Host                   | Rabbit                                                                                                                                    |
| Reactivity             | Human; Mouse                                                                                                                              |
| Application            | WB; ELISA                                                                                                                                 |
| Recommended Dilutions  | WB 1:500-1000; ELISA 1:5000                                                                                                               |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen                                       |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                                                      |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                            |
| Mol. Weight            | 16 kDa                                                                                                                                    |
| Synonyms               | NDUFA4L2; NADH dehydrogenase [ubiquinone] 1 alpha subcomplex subunit 4-like 2; NADH-ubiquinone oxidoreductase MLRQ subunit homolog; NUOMS |
| Storage/Stability      | -20°C/1 year                                                                                                                              |
| Shipping               | Gel Packs                                                                                                                                 |
