

## NFIL3 Polyclonal Antibody

|                        |                                                    |
|------------------------|----------------------------------------------------|
| Catalog No.            | 4005147                                            |
| Size                   | 50ug / 100ug                                       |
| Product Category       | Primary Antibody                                   |
| Immunogen              | Recombinant protein of human NFIL3                 |
| Isotype                | IgG                                                |
| Clonality              | Polyclonal                                         |
| Host                   | Rabbit                                             |
| Reactivity             | Human; Mouse                                       |
| Application            | WB; IHC; IF                                        |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200; IF 1:50-100           |
| Purification           | Affinity Chromatography Method                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                     |
| Mol. Weight            | 51 kDa                                             |
| UniProt ID             | Q16649                                             |
| Synonyms               | NFIL3; E4BP4; IL3BP1; NF-IL3A; NFIL3A              |
| Storage/Stability      | -20°C/1 year                                       |
| Shipping               | Gel Packs                                          |
