

## NTMT1 Polyclonal Antibody

|                        |                                                       |
|------------------------|-------------------------------------------------------|
| Catalog No.            | 4007102                                               |
| Size                   | 50ug / 100ug                                          |
| Product Category       | Primary Antibody                                      |
| Immunogen              | Recombinant protein of human NTMT1                    |
| Isotype                | IgG                                                   |
| Clonality              | Polyclonal                                            |
| Host                   | Rabbit                                                |
| Reactivity             | Human; Mouse; Rat                                     |
| Application            | IHC                                                   |
| Recommended Dilutions  | IHC 1:10-50                                           |
| Purification           | Affinity Chromatography Method                        |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3    |
| Format & Concentration | Liquid; 1mg/ml                                        |
| Mol. Weight            | 25 kDa                                                |
| UniProt ID             | Q9BV86                                                |
| Synonyms               | AD-003; C9orf32; HOMT1A; METTL11A; NRMT; NRMT1; NTM1A |
| Storage/Stability      | -20°C/1 year                                          |
| Shipping               | Gel Packs                                             |
