

## OASL Polyclonal Antibody

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Catalog No.            | 4006805                                             |
| Size                   | 50ug / 100ug                                        |
| Product Category       | Primary Antibody                                    |
| Immunogen              | Recombinant protein of human OASL                   |
| Isotype                | IgG                                                 |
| Clonality              | Polyclonal                                          |
| Host                   | Rabbit                                              |
| Reactivity             | Human                                               |
| Application            | WB                                                  |
| Recommended Dilutions  | WB 1:500-2000                                       |
| Purification           | Affinity Chromatography Method                      |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3  |
| Format & Concentration | Liquid; 1mg/ml                                      |
| Mol. Weight            | 59 kDa                                              |
| UniProt ID             | Q15646                                              |
| Synonyms               | OASLd; TRIP14; TRIP-14; p59OASL; p59 OASL; p59-OASL |
| Storage/Stability      | -20°C/1 year                                        |
| Shipping               | Gel Packs                                           |
