

## PGLS Polyclonal Antibody

|                        |                                                    |
|------------------------|----------------------------------------------------|
| Catalog No.            | 4107527                                            |
| Size                   | 50ug / 100ug                                       |
| Product Category       | Primary Antibody                                   |
| Immunogen              | Synthetic peptide of human PGLS                    |
| Isotype                | IgG                                                |
| Clonality              | Polyclonal                                         |
| Host                   | Rabbit                                             |
| Reactivity             | Human                                              |
| Application            | IHC                                                |
| Recommended Dilutions  | IHC 1:50-200                                       |
| Purification           | Affinity Chromatography Method                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                     |
| Mol. Weight            | 27 kDa                                             |
| UniProt ID             | O95336                                             |
| Synonyms               | 6PGL; HEL-S-304; 6-phosphogluconolactonase         |
| Storage/Stability      | -20°C/1 year                                       |
| Shipping               | Gel Packs                                          |
