

## PRKDC Polyclonal Antibody

|                        |                                                         |
|------------------------|---------------------------------------------------------|
| Catalog No.            | 4005409                                                 |
| Size                   | 50ug / 100ug                                            |
| Product Category       | Primary Antibody                                        |
| Immunogen              | Synthetic peptide of human PRKDC                        |
| Isotype                | IgG                                                     |
| Clonality              | Polyclonal                                              |
| Host                   | Rabbit                                                  |
| Reactivity             | Human; Mouse                                            |
| Application            | WB; IHC                                                 |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200                             |
| Purification           | Affinity Chromatography Method                          |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3    |
| Format & Concentration | Liquid; 1mg/ml                                          |
| Mol. Weight            | 469 kDa                                                 |
| UniProt ID             | P78527                                                  |
| Synonyms               | DNA-PKcs; DNAPK; DNPK1; HYRC; HYRC1; IMD26; XRCC7; p350 |
| Storage/Stability      | -20°C/1 year                                            |
| Shipping               | Gel Packs                                               |
