

## TLR3 Polyclonal Antibody

|                        |                                                    |
|------------------------|----------------------------------------------------|
| Catalog No.            | 4008081                                            |
| Size                   | 50ug / 100ug                                       |
| Product Category       | Primary Antibody                                   |
| Immunogen              | Recombinant protein of human TLR3                  |
| Isotype                | IgG                                                |
| Clonality              | Polyclonal                                         |
| Host                   | Rabbit                                             |
| Reactivity             | Human; Mouse                                       |
| Application            | WB; IHC                                            |
| Recommended Dilutions  | WB 1:500-2000; IHC 1:50-200                        |
| Purification           | Affinity Chromatography Method                     |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3 |
| Format & Concentration | Liquid; 1mg/ml                                     |
| Mol. Weight            | 73/104 kDa                                         |
| UniProt ID             | O15455                                             |
| Synonyms               | CD283; IIAE2; Toll-like receptor 3                 |
| Storage/Stability      | -20°C/1 year                                       |
| Shipping               | Gel Packs                                          |
