

## TNFSF10 Polyclonal Antibody

|                        |                                                                     |
|------------------------|---------------------------------------------------------------------|
| Catalog No.            | 4107794                                                             |
| Size                   | 50ug / 100ug                                                        |
| Product Category       | Primary Antibody                                                    |
| Immunogen              | Synthetic peptide of Human TNFSF10                                  |
| Isotype                | IgG                                                                 |
| Clonality              | Polyclonal                                                          |
| Host                   | Rabbit                                                              |
| Reactivity             | Human                                                               |
| Application            | WB; IHC                                                             |
| Recommended Dilutions  | WB 1:1000-3000; IHC 1:50-200                                        |
| Purification           | Octanoic acid-ammonium sulfate precipitation                        |
| Storage Buffer         | PBS with 0.03% Proclin300, 50% glycerol, pH7.3                      |
| Format & Concentration | Liquid; 1mg/ml                                                      |
| Mol. Weight            | 11/32kDa                                                            |
| UniProt ID             | P50591                                                              |
| Synonyms               | APO2L; Apo-2L; CD253; TL2; TNLG6A; TRAIL; TNF superfamily member 10 |
| Storage/Stability      | -20°C/1 year                                                        |
| Shipping               | Gel Packs                                                           |
