

## ZNF384 Polyclonal Antibody

|                        |                                                                                                                                                                                                          |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4014261                                                                                                                                                                                                  |
| Size                   | 50ug / 100ug                                                                                                                                                                                             |
| Product Category       | Primary Antibody                                                                                                                                                                                         |
| Immunogen              | Synthesized peptide derived from the N-terminal region of human ZNF384 at AA range: 1-50                                                                                                                 |
| Clonality              | Polyclonal                                                                                                                                                                                               |
| Host                   | Rabbit                                                                                                                                                                                                   |
| Reactivity             | Human; Rat                                                                                                                                                                                               |
| Application            | WB; ELISA                                                                                                                                                                                                |
| Recommended Dilutions  | WB 1:500-1000; ELISA 1:5000                                                                                                                                                                              |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen                                                                                                      |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                                                                                                                     |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                                                           |
| Mol. Weight            | 65 kDa                                                                                                                                                                                                   |
