

## alpha-crystallin C Polyclonal Antibody

Catalog No.	4079230
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	Recombinant protein corresponding to human Alpha-crystallin C.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q9UJY1
Synonyms	CRYAC; E2IG1; HSP22; Heat shock protein beta-8; HspB8; Alpha-crystallin C chain; E2-induced gene 1 protein; Protein kinase H11; Small stress protein-like protein HSP22
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
